

Mother's Day Teacup

Colour this cute Teacup, then cut out and stick together to create a fun 3D gift for Mum!

TIP: Print on card stock if available. Colour your cup and saucer first!

1. Cut out the saucer shape (dotted side up) then glue the flap underneath to connect the sides.
2. Cut the dotted lines on the saucer base, fold them and glue to underneath of saucer.
3. Cut out the cup and the handle.
4. Glue the handle into position on the cup on the 'X' marks.
5. Then glue the edge of the cup to the flap so that the handle pops out of the seam.
6. Place your cup on the saucer and you are done!
